Declaration for submitting the master's thesis

Surname _____ First name _____

Student number _____

1. I hereby confirm

    a   that the term paper I have submitted is the product of my work and mine alone,

    b   that I did not use any other resources or aids other than the ones explicitly deemed permissible beforehand or otherwise cited by me in the term paper,

    c   that I have provided the sources for any portion of my term paper that uses direct quotations or borrowed ideas/concepts/results/etc. from other works (including internet sources and AI-based tools),

    d   that I have not submitted this term paper to be graded as part of another assessment.

2. Furthermore, I am aware

    a   that I will fail the assessment if I do not submit my results by the deadline communicated to me in advance,

    b   that if I am caught attempting to cheat, I will fail the assessment,

    c   and that if my attempt to cheat is particularly severe, I could potentially fail the assessment with no opportunity to retake it and not be allowed to continue my studies in this program,

    d   that, if I used AI-based tools to write this term paper, I bear the responsibility for any false or biased content, erroneous references, violations against data privacy or copyright law, or incidences of plagiarism generated by the AI.

_____   _____

            date   signature

I hereby agree to the publication of my master's thesis in the university library.
